Perceptions, Reality or Both?

Mark Nill, Assistant Principal at Surrey Christian School – Secondary Campus

Daily I have interactions with students, colleagues, friends and family where the way I perceive the interaction is completely different from the other

person's perception. It is in these interactions that misunderstandings can turn into conflict.

If I Should Have a Daughter ...

Jenny DeGroot, Assistant Principal and Teacher Librarian at Langley Christian Elementary School

Sarah Kay's word and voice pictures cannot help but challenge and inspire imagination and creativity in places

where we might least expect to find it... in our families, our students, our colleagues, in ourselves.

Conducting from B to E...

Henry Au, Vice Principal at Richmond Christian Elementary School and Director of Technology at Richmond Christian School.

By Benjamin Zander, the conductor of the Boston Philharmonic

and a speaker on leadership – he has been known to do both in a single performance. Zander has two infectious passions: classical music and helping us all realize our untapped love for it -- and by extension, our untapped love for all new possibilities, new experiences, and new connections.
